## Step 5: 點選 | Accept

### USAGE TERMS ACKNOWLEDGMENT - CLINICALKEY AI TRIAL ACCESS

**Product Trial.** Elsevier grants You ("User" or "You") a non-transferable right to access and use ClinicalKey AI ("Product") at no charge for 30 days from the date You first log-in to use the Product ("Term") subject to your compliance with these terms as well as Elsevier's Terms and Conditions and Elsevier's Privacy Policy. Elsevier may extend the Term or terminate access to the Product at any time.

**Authorized Uses.** The Product is a conversational search powered by generative AI that delivers evidence-based clinical content to help answer clinical questions ("Output"). You are authorized to enter search requests into the Product in order to obtain Output.

**Restrictions on Use.**

- Do not enter personal or sensitive data into the Product, including PHI as defined under US law.
- The Output is AI-generated without human review, do not reproduce or republish the Output verbatim or misrepresent the Output as human-authored content; when citing information from the Product for academic or research purposes, cite to the original reference materials and not to the Output.
- Do not use as a calculator, scoring or staging tool, or to confirm IV compatibility.
- If you are a student, the Product is intended for educational purposes; You must discuss all clinical Output with your supervisor or qualified healthcare professional and do not use the Product as a resource for graded assessments, exams, or assignments related to academic evaluation.

**Disclaimer.** The Product and the Output are provided "as-is" and without warranty and Elsevier, its suppliers and licensors ("Elsevier Parties") disclaim all express and implied warranties, including but not limited to the implied warranties of fitness for a particular purpose and merchantability. You acknowledge that Elsevier provides no medical advice in connection with the Output. The Output is AI-generated without human review and is for informational purposes only. You must exercise clinical judgment before acting on or applying the Output. You have sole responsibility and liability with respect to care and treatment of their patients and for all consequences arising from use of the Output. Because of rapid advances in the medical sciences and changes in government regulations and clearances, independent verification of diagnoses, treatments, indications choice of drugs and drug dosages must be made. Clinical regulations and practices may vary by location.

**Limitation of Liability.** ELSEVIER PARTIES SHALL NOT BE LIABLE FOR ANY DAMAGES INCLUDING GENERAL, DIRECT, SPECIAL, CONSEQUENTIAL, INCIDENTAL, OR INDIRECT DAMAGES, INCLUDING BUT NOT LIMITED TO LOST PROFITS, ARISING IN CONNECTION WITH THE PRODUCT OR OUTPUT, EVEN IF THE ELSEVIER PARTIES WERE AWARE OF THE POSSIBILITY OF SUCH DAMAGES.
